PROFESSIONAL SUMMARY

Python Backend Developer specializing in Django and REST API development with expertise in designing scalable systems and optimizing database architectures. Recent BCA graduate with hands-on experience building production-ready web applications. Passionate about system integrity, clean code architecture, and exploring AI-powered backend solutions. Seeking backend or full-stack engineering opportunities to contribute to innovative, high-impact projects.

TECHNICAL SKILLS

Programming Languages: Python, JavaScript, SQL, HTML5, CSS3
Backend Technologies: Django, Django REST Framework, RESTful APIs, JSON, Authentication & Authorization
Databases: PostgreSQL, MySQL, Database Design, Schema Optimization, Query Optimization
Frontend Technologies: React (Learning), HTML5, CSS3, JavaScript, Responsive Design
Tools & Platforms: Git, GitHub, Linux, Visual Studio Code, Postman, API Testing
Core Competencies: System Design, Backend Architecture, API Development, Data Modeling, Problem Solving

PROJECTS

Pet Service Portal | *Django, MySQL, Django REST Framework, API Design* | GitHub | Live   2025
- Built a service-based platform connecting pet owners with providers through structured booking, scheduling, and service management workflows.
- Implemented scalable REST API architecture with well-structured data models ensuring seamless frontend-backend communication and data integrity.

Temple Offerings Portal | *Django, PostgreSQL, REST APIs, Authentication* | GitHub | Live   2025
- Developed a full-stack temple offerings booking platform with secure authentication, role-based access control, and end-to-end booking workflow from user registration to payment management.
- Designed optimized relational database schema and RESTful APIs to support real-time booking updates, transaction tracking, and administrative operations.

EDUCATION

Entri Elevate   Cochin, Kerala, India
Course Completion Certificate   *July 2025 – January 2026*
Illinois Institute of Technology
Python with Django Certificate   *July 2025 – January 2026*
Najath Arts & Science College   Palghat, Kerala, India
Bachelor of Computer Applications (BCA), Computer Science   *2022 – 2025*
